Dear Mr. Corkill:

NEW File

RE: G. P. #1-#5 Claims, DOE/039/006, Sanpete County and Western
#40-#41 Claims, DOE/041/003, Sevier County, Utah

Thank you for filing the above referenced Declaration of Exemptions. The Division will be contacting you within the near future to discuss finalizing Georgia-Pacific Corporation's (GPC) outstanding permit application submitted on June 24, 1977.

I apologize for the extreme delay in reviewing the mining and reclamation plan, but extenuating internal circumstances have not allowed the Division to process all of the mining applications which were originally filed with passage of the Utah Mined Land Reclamation Act. I assure you that GPC has not been forgotten and that we wish to issue a permit as soon as possible.

Thank you for your continued patience and cooperation, and we look forward to getting together soon.

Sincerely,

James W. Smith, Jr.
